Dear Senator Johnson:

Enclosed is the corrected transcript of my testimony on
24 February 1960 before the Committee on Aeronautical and
Space Sciences and the Preparedness Investigating Subcommittee
of the Committee on Armed Services.

Also enclosed is a TOP SECRET document covering those
aspects of the U. S. News and World Report article, "The Truth

Senator Margaret Chase Smith requested this information during
the course of my 24 February briefing of the Committee.

If either you or the Committee Staff have any questions
respecting this testimony, I should be glad to endeavor to
answer them.
